## About me

I am a graduate of the Bachelor's degree program in Computer Science at the Lublin University of Technology. I am currently continuing my education at the University of Entrepreneurship and Administration in Lublin (WSPA), where my goal is to obtain a Master's degree, also in Computer Science. My interests include computer graphics, game development, and web development. I am seeking my first job in the IT industry, where I can utilize the knowledge and skills I have acquired.
